THE VILLAS BALI
HOTEL & SPA

Our Weddings

The Villas Bali Hotel and Spa is the perfect destination-wedding venue. A luxurious private oasis for couples looking for an intimate and personal wedding experience in Bali.

Your wedding day should be as individual as you are! Our experienced wedding coordinators will take all the work out of creating a unique and memorable celebration for you, your family and guests.

Our extensive range of options allows you to tailor your special day from your preparation, ceremony style and venue, reception and even your honeymoon accommodation.

The Ceremony

Weddings at The Villas Bali Hotel and Spa cater for all religions and many different styles of ceremonies including:

Full Legal Wedding

Our Full Legal Wedding combines two ceremonies. The legally binding civil ceremony takes place with the assistance of your consulate to officiate your union under the laws of your country. The spiritual ceremony then takes place as you celebrate your bond together and with your loved ones.

Commitment Ceremony

A personalised declaration of your love and lifetime commitment to one another. Using your own special words or vows you pledge your love and devotion to one another with your family and friends as witnesses. There is no legal or religious component to this style of ceremony making it versatile and suitable for a wide range of couples.

Balinese Blessing Ceremony

A truly memorable way to celebrate your nuptials while embracing the time honored traditions and rich culture of the Balinese people. Your ceremony will be conducted by a Pemangku, a traditional Hindu Priest, and is inclusive of traditional Balinese dress, hair and makeup, a symbolic Balinese wedding procession and traditional offerings for your ceremony

Renewal of Vows

This style of ceremony is a re-declaration of your commitment to one another, a proclamation of your love and a celebration of life together. This is an informal ceremony, carried out by a celebrant, it is a beautiful way to celebrate your love with family and friends.

The Venue

The Villas Bali Hotel & Spa offer three alternative venues for your ceremony and reception.

Private Villa

Our most popular and intimate choice is within our spacious three bedroom villa. This venue provides a 600 sqm Villa with lush tropical gardens and beautiful poolside ceremony location. The gardens and villa provide the backdrop for your ceremony and the location for your celebration to follow. A favourite of photographers for its beautiful tropical backdrops, this venue also provides a level of privacy and personalised service second to none.

Prana Courtyard

The exotic Prana Courtyard provides a second alternative for both your ceremony and reception location. With heady Moroccan and Indian architectural influences the Prana Courtyard provides a dramatic backdrop for your wedding. As day turns to night watch the colours of the iconic Prana building transform as you and your guests celebrate.

Prana Lawn

The Prana Lawn is our third venue option for wedding couples. Nestled among our Original villas sits a magnificent 50-year-old Banyan Tree, under which you will exchange your vows and enjoy the company of your guests. This more informal setting is perfect for the couple looking for a more understated and relaxing ceremony.

The Food

Now that you have said "I do" it's time to celebrate! Our award-winning chefs offer an impressive selection of menus, and service styles, for your reception.

Casual Options

Create your perfect cocktail party celebration with our canapés menu, select your desired duration of service and choose from our range of hot and cold canapés.

For a more substantial yet casual dining option our "Walk and Fork" dinner menu provides just that. This is a casual style of buffet where you literally walk and talk as you eat, a more substantial meal with a casual atmosphere.

Buffet Options

Our selection of buffet options each feature a soup, several cold dishes and salad selections, six hot dishes and three desserts. Choose from Traditional Balinese, Indonesian or Western buffet themes.

BBQ Buffet Range

Cooked by your private chefs at live cooking stations, BBQ Buffets are a great way to set the mood as delicious aromas whet the appetite. Each BBQ Buffet features a soup, salad and mixture of grilled items with accompaniments and selection of desserts. Choose from Vegetarian, Seafood, Balinese, Mixed or Meat themed BBQ menus.

Alternate Serve Menu

A more formal style of reception is provided with the Alternate Serve menu. Choose two or three courses and your selection of two entrées, two main meals and two desserts from our menus, which are served alternatively to your guests banqueting style. A final option is the perfect blend of a casual and formal reception style. Start with a chef's selection of pre-dinner canapés in lieu of an entrée and complete the meal with Alternate Serve menu selections for main and desert.
